Promotion

Clint Townsend to Project Manager

Congratulations Clint Townsend!

Please congratulate Clint with his recent promotion as a Telecommunications Project Manager. Clint will be transitioning into the office in an effort to help expand the low voltage department. Clint's most recently completed projects consist of helping lead the Converges Richardson Project as well as the Wesley PEDs Project.

Community

Ronald McDonald House

Thank you to everyone who has worked on the Wesley PEDs Ronald McDonald room at Wesley.

Decker has donated labor and material for telecommunications work to complete the project and now many families will be able to stay near their children as they battle illness. Decker is always happy to help!

Dear Steve,

On the day he turned 20 months old, Jacob, who was fighting a serious illness, was also spending his 220th day in the hospital far from his home. Thanks to Ronald McDonald House Charities Wichita, Jacob's parents stayed conveniently close to the hospital so they could be by their son's side at a moment's notice.

Jacob's father praises the "home away from home" they found at our Ronald McDonald House. He calls it a sanctuary, a place where the family was able to stay together and stay strong, so they could focus on getting Jacob well.

Your support gives kids like Jacob a way to be with their family and a better chance at healing faster. Thank you!

Keeping Families Close,

Susan
