

October Issue

Decker Electric

Progress

Union Pacific Yard

Valve replacement and control panel upgrades at the Union Pacific Yard in Commerce, CA.
Great job by Mike Purdue!

Staff

Everything Pink

Three weeks ago, Dinah Wiederstein was diagnosed with breast cancer. Decker employees showed their support for her by wearing pink and surprising her with a visit from the Wichita Area Chapter of the Pink Heals Tour. This group of firefighters, community and family members encourage fighters and survivors to sign their pink firetruck. The firetruck serves as a traveling memorial for those who have been affected by breast cancer. Go Team Dinah!

Milestone

Work Anniversaries

Congratulations to Amy Douthitt and Jonathan Rouse for five years of continued service at Decker Electric!
