Decker Electric

Progress

Geneva Anhydrous Ammonia Plant

Decker contractors pulling in one of the main feeder cables (15 KV) for the plant. Foreman, Jesse Robinson.

Staff

Decker Family Day and Motter Donation

Thank you to everyone who came to Decker Family Day. Around 100 people enjoyed dinner and fun at the Wichita Sports Forum. During the evening, we presented the Motter family with a check for \$8,233. Thank you to everyone who generously contributed to this special cause! A special thank you to Local 271 for their support!

Progress
KanPak

Pulling wire at the KanPak plant in Arkansas City. Foreman, Kyle Kennedy
