Project Progress

Ford County Corrections Facility

TC Team has started the security system installation at Ford County corrections facility in Dodge City, led by Tate Nowlin. We are excited to be working with our friends at Ford County and can't wait to showcase their new system.

WIRED TO HELP

A Community Service Branch of

Youth Horizons

On Saturday June 1st Decker Electric held a volunteer event to help rewire the future Youth Horizons Girls Ranch. We had 9 guys come out to replace the water well service, hang some lights, run some wire mold and do some general electrical work. A big shout out to CED Wichita and Convergence who donated all of the supplies for this project. Pictured left to right are: Marty Mapes, Carson Fair, Brian Fair, Richard Claycamp, Ben Wilson, Jesse Robinson, Kendall Kemp, and Norman King. Not pictured: Jack Wilson. Thanks to all who showed up to help!

Blood Drive

The bus rolled in and we rolled up our sleeves. A big thanks to Kansas Red Cross for bringing the Blood Mobile to our Decker shop. Our team is Wired to Help and giving blood to the American Red Cross is something we are proud to do throughout the year. Thank you to all who donated!

Riverfest 2019

Decker Electric helped power the massive festival and we appreciate the opportunity to do so year after year. A special thank you to John Spivey for all of his hard work setting up and managing our operations down there. He put in a TON of time that week and did an excellent job!

Milestone Anniversaries

GERI NICHOLSON

Review Highlight

2019-06-10 ★★★★★

“Decker has always provided great service to us and today was no different. I would highly recommend Eldon and Decker Electric.”

Craig Lindeman

2019-06-07 ★★★★★

“Very good service, the communication was very good. We will be using Decker in the future.”

Steve Tucker
