Decker Electric

Progress

Electrical Car Charging Station

James Eck, Mike Purdue and Trever Buckner work on finishing the charging station at Towne East Square in Wichita, KS.

Staff

Notable Work Anniversary

A big thank you and congratulations to **Miles Cleary** and **Clint Black** who will celebrate **5 years** at Decker in October!

Seize the Day 5K

We need your help to continue the fight to stop seizures. One in 26 people are diagnosed with epilepsy and more than 250,000 children and adults in Missouri and Kansas are affected. On *Saturday, October 13th*, the Wichita Epilepsy Foundation will hold the **Seize the Day 5K Run/Walk** to benefit the Epilepsy Foundation of MO & KS.

Decker will host a team for Blaine Clark's Daughter, Emery. We would love to have you run with **"Team Emery."** Please click [here](#) for more information and to sign up!

Community

SOS ICT

Thank you to the 25 volunteers who helped hand out water at the SOS ICT race on September 8th. This year's race benefited the Kansas Internet Crimes Against Children Task Force. The unit is a partnership of the Wichita Police Department and the Sedgwick County Sheriff Department. It investigates online abuse and exploitation of children in our state.

Community InterFaith Ministries

Clint Allmon, John Spivey, Brian Fair and Darren Wilcox installed outlets for a kennel at Interfaith Ministries. The kennel will give the homeless a safe place to keep their pets while they stay at the shelter.

Input caption text here. Use the block's Settings tab to change the caption position and set other styles. Decker Teledata team, led by Lead Technician Chase Ishman, pulled and terminated nearly 1 mile of fiber for the City of Haysville. The fiber connects the City Library to the City Hall, and will allow for the Library and City Hall to control two signs along Main Street. Great job, guys!
